"A FEW WORDS ABOUT OUR MEN'S and BOYS' SHOES."

When several years since we added Shoes to our business we posted ourselves as to what manufacturers made the best. We did not look for bargains; we wanted Shoes that we could warrant to give satisfaction or "money back." In the beginning of our shoe business we catered more to the dress shoe trade than any other. We soon learned that our country friends want every-day or working Shoes that are in the same class as our fine Shoes as to wear and comfort. We have just received our Barker-Brown line of Working Shoes. Every pair warranted to give satisfaction. We stand behind you; Barker-Brown stand behind us. If you want that kind of Shoes, come in and let us show them to you.

OUR SECOND GREAT SEMI-ANNUAL CLEARANCE SALE

Begins Monday, August 12th,

And continues until every job in our house is sold. Last summer we contracted for extra advertising space in order to draw your attention to our sale; advertised a great and sweeping clean-up sale; stuck to the letter to what we advertised, and as a result had the most satisfactory Buggy Sale ever held in Maysville carrying over one buggy only. This year we do not intend to have one rig left in our repository, and are marking the vehicles at such ridiculously low prices, and backing them up with such a strong guarantee, that you cannot help but buy if you are needing a rig of any kind. The case is this: We have the Vehicles and need the money; you have the money and need the Vehicles. Now is your opportunity.

We include in the sale all Buggies, Runabouts, Surreys, Phaetons and Carts in our repository. Don't you think it will pay you to investigate?

A SOUTHERN exchange says there is a prospect of CALEB POWERS serving a life sentence without being convicted, forgetting or ignoring the fact that 36 good men and true have said he is guilty, 12 declaring that death alone could atone for his part in the great crime, and 24, in the plenitude of mercy, fixed his punishment at life in the Penitentiary. There is a great deal of sympathy wasted on the arch fiend. He is pretty well satisfied to remain in a pleasant room in the Georgetown Jail, when the prospect is that when he leaves it he will either go to the gallows or to the Penitentiary for the rest of his natural life. —Frankfort State Journal.

But, Br'er WALTON, you forget that threetimes the Democratic Court of Appeals has declared that POWERS has never been given a fair trial in the Circuit Courts.

Kentucky's Shame—
Another Outburstof
Everett True Walton.

Have you not more respect for the highest state tribunal than you have for a partisan "Special Judge?"

In your blind partisanship you say that "36 good men and true have said he is guilty," but you wilfully ignore the fact that the entire 36 Jurymen were all Democrats, selected especially by a Democratic Judge and Sheriff for the purpose of rendering a Democratic partisan verdict against CALEB POWERS.

You know, if you care to acknowledge anything, from your hide-bound and jaundiced view-point of things, that every trial of CALEB POWERS, since CANTRILL rendered his Democratic rulings, has not been in accordance with either the statute law or the constitutional law.

If your party is a mob law party, why in the name of heavens haven't you taken POWERS out of Jail and swung him to a limb or a telegraph pole?

You know, further, that BILL GOEBEL stole the nomination for Governor, and that he attempted, and partially succeeded, in stealing and usurping the Governorship, in spite of the fact that the Democratic Election Commissioners had declared that W. S. TAYLOR was legally elected Governor of Kentucky by 2,382 votes.

Get around these facts, will you? You are perfectly aware, too, that there is not the remotest probability of CALEB POWERS ever going to the Penitentiary.

The Goebelites are afraid to ignore the law any further and play the Russian cossack, because the miserable Czar—GOEBEL—fell a victim of his own wicked machination.

The people of Kentucky are aroused, and you know it.

They cannot and will not stand for the further continuation of this politico-vaudeville business.

Democrats and Republicans alike ignore all party lines when the very life of the Commonwealth is at stake.

This is the Twentieth Century, not the Eighteenth, when the bully and the braggart and the swash buckler rode triumphant over the common people.

CÆSAR had his BRUTUS,
CHARLES the First his CROMWELL,
GEORGE the Third his WASHINGTON, (and God save the mark.)

WILLIAM GOEBEL had his YOUTSEY!
No wonder The Courier-Journal says—
Kentucky is the worst governed state in the Union.

THE PUBLIC LEDGER desires to make no personal attack either upon Governor BECKHAM, Auditor HAGER, JIM HARGIS or "General" Perseverance HALEY. But the situation is so ridiculously outrageous that every Kentuckian must be shocked when he stops to consider what we are up against, and have been ever since the famous "Music Hall Convention" in Louisville.

Are we to be forced to bow to the domination of Mr. BECKHAM's inordinate ambition and see the Hargises actually convicted of wholesale assassination and every time flagrantly turned loose by Special Judges appointed for the purpose?

Are we to continue to submit to the endless chain of Powers trials for political purposes; convicted by Democratic Special Judges and Juries one year whose decisions are overruled the next year by the highest Court in the state?

Are we to be made to endure the Louisville and Jefferson county farce-comedy of another regime of stolen offices, or the placing in office of BINGHAM and his crowd of Beckham henchmen, who as County Attorney of Jefferson was kicked out by the Court of Appeals and branded as a fraudulent election grafter?

Is Kentucky still to be gagged and bound and looted by a gang of machine politicians, who, under the mask of virtue, temperance and patriotism, continues its nefarious campaign of iniquitous politics?

Oh! for the good old days of PRESTON H. LESLIE, JAMES B. MCCREARY, LUKE P. BLACKBURN, J. PROCTOR KNOTT and WILLIAM O. BRADLEY!

Alas! that Old Kentucky has fallen so low, and to her shame is known and pointed at—
"As the worst governed state in the Union."

COLONEL J. N. WALLINGFORD.

Colonel J. N. Wallingford, related in Fleming and Mason counties, a veteran of the Civil War, died very suddenly at his residence in Lawrenceburg, Ind., Wednesday last. The Colonel retired the previous evening apparently in the best of health, but was stricken with heart failure and died in less than half an hour.

He was born in Flemingsburg and attended school at Danville, until the Civil War.

He was made Colonel of the Tenth Kentucky Regiment and served throughout the War.

The deceased was a member of the Loyal Legion, the Grand Army of the Republic, the Royal Arch Masons and for the past 15 years had been a Deputy Collector of Internal Revenue for the Sixth District of Indiana.

WILLIAM R. GILL.

Mr. William R. Gill, who was stricken with paralysis some two weeks ago, died last night at 10:35 at his home near Washington.

His condition from the first had been very critical and little hope was entertained for his recovery.

Mr. Gill was a native of Mason county and was 61 years of age.

He had long been one of the most prominent and progressive farmers of this section, and no man was held in higher esteem than he.

Surviving him are his wife and two children—Mrs. B. H. Bedford of Columbia, Mo., and Mr. William H. Gill of this county.

The funeral will occur from his late home Monday afternoon at 2:30 o'clock, the services being conducted by the Rev. W. T. Spears of Vanceburg.

The interment will be in the Cemetery at Washington.

HUNDRETH ANNIVERSARY

Of Steamboat Navigation Robert Fulton's New Orleans the First Ohio River Steamer

Today is the 100th anniversary of the first trip of the "Clermont," the first steam vessel to navigate any waters, built and operated by Robert Fulton, the pioneer inventor.

Today, August 17th, at 1 o'clock this afternoon, one hundred years ago, the "Clermont" made her initial voyage up the Hudson river.

Great preparations have been perfected at New York and along the Hudson for the proper celebration of the auspicious event which ushered in the wonderful age of steam and steel, a combination which has revolutionized transportation by land and sea and performed magic and miracles in the world's manufactures.

At 1 o'clock this afternoon ten thousand whistles will awake the echoes along the Hudson, and the Ohio river should also resound with the noise of steam whistles from Pittsburgh to Cairo in honor of Robert Fulton.

Robert Fulton's "Clermont" was the first steamboat to ply the Hudson.

Robert Fulton's "New Orleans" was the first steamboat to navigate the Ohio.

Fulton resided in Louisville for a time and later lived at Troy, Indiana.

In 1811, Fulton reached Troy aboard the first steamer that ever plied the Ohio.

Now the Ohio river carries more freight than any other stream on earth.

The Rev. T. W. B. Demaree of Hopkinsville, a prominent Methodist Minister, has gone to Japan, where he will have charge of a large district as Presiding Elder. He has spent seventeen years in the foreign missionary field.

The gage marks 8.1 and falling.

The Queen City got as far as Rochester on her last trip to headwaters.

The Queen City will pass up tonight to go to Pittsburgh if the water will permit.

The Helen Gould is the only packet on the lower Ohio which carries a crew of white cabin boys.

The packets have been having a rush in the freight business, while the passenger traffic has been far ahead of the average.

There is a big fleet of towboats and scores of barges ready loaded at Pittsburgh awaiting a rise in the river in order to be brought down.

This marvelous state of affairs comes about through a number of causes, all legitimate as well as apparent. No secret about it, so listen: We do not buy our Pianos haphazard, taking whatever the manufacturer chooses to send us. We eliminate all the elements of chance. We personally go to the Fountain Head of Art, New York City, and patiently inspect numerous instruments, making difficult and minute comparisons, testing voicings, dictating a change of case design here, an adjustment in the action there, etc., etc. In consequence of which our pianos are marvels of art, their tonal qualities superb and their case designs an education in wood art.

A DOZEN HUNDRED.

NUMBER OF CLASSES AT KENTUCKY STATE FAIR.

PRIZES AGGREGATE \$25,000.

Every Department Will Be Filled With the Cream of Displays From Other Fairs.

Fairs—international, national, state, county and municipal—have been held almost since civilization had its beginning, and passing years have not only not dimmed their light but have served to make it more brilliant. At no time perhaps in the history of Kentucky have there been so many county fairs as have been held or will be held in the state during 1907. The number has grown to more than fifty. These county fairs serve to draw all classes closer together and it is fitting that they should form the spokes of the big hub which is known as the Kentucky State Fair.

The State Board of Agriculture, early in maturing the plans for this year's exhibition, which will be held in Louisville, September 16 to 21, arranged to have personal representatives at all of these fairs. These representatives have carried with them catalogues of exhibits and premiums, and attractive advertising matter. At every place they have met a most cordial welcome. Exhibitors, both of live stock and in other departments, were solicited and it is in no sense an exaggeration to say that the cream of the exhibits of every county fair will meet in competition at the Kentucky State Fair.

At the September exhibition, the competition will be for prizes that aggregate \$25,000 in cash. The classification covers horses, mules, jack stock, beef and dairy cattle, swine, sheep, goats, poultry, colts, dogs, pigeons, tobacco, field seed and grain, melons and vegetables, plants and flowers, woman's work, children's work and table luxuries.

There are 1,175 different rings in which good money is offered, while there are a total of over 300 different lots. The horse money is divided among horses suitable for light harness, five-gaited saddlers, roadsters, combined harness and five-gaited saddlers, American carriage, three-gaited, plantation saddlers, runabouts, high steppers, Shetland ponies, thoroughbreds, and what are classed as fine horses. The mule premiums are most elaborate on pairs and single horse and single mare mules, while good money is offered on jacks and Jennies.

In beef cattle, the classification is complete on Short-horns, Herefords, Polled Durhams, Aberdeen-Angus and Red Polls. Most attractive premiums are offered in the dairy cattle department for Jerseys, Holstein-Friesians, Ayrshires, and Guernseys.

The swine department includes Berkshires, Duroc-Jerseys, Poland-Chinas, Chester Whites, Tamworths, Yorkshires, Hampshires, etc. The money for sheep is divided among Shropshires, Cotswolds, South Downs, American Merinos, Oxford Downs, Hampshires and Dorsets. Interesting classifications are arranged for bucks and does in the Angora Goat Department. The poultry premium list covers every known fowl in which this section of the country is interested and the same is true of the pigeon department.

Recognizing the great interest that farmers are displaying in the Collier Dog, as the successor of the Shepherd, a department is given to the former and some very handsome money offered. The departments for vegetables and melons, tobacco, field seed and grain, cover premiums that will appeal to all who are growers of these products. In horticulture there are scores of awards in cash to be made on apples, peaches, pears, grapes, etc. Plants and flowers are not neglected and the money offered should prove a great inducement both to the amateur with the hothouse, and to the professional florist.

In no department is there a more interesting collection of premiums than in that set aside for woman's work, children's work and table luxuries. It is confidently expected that farm implements and machinery will be shown to a much larger extent than ever before at a Kentucky State Fair.

Ball Bros., of Woodford county, are showing their faith in their horse, Montgomery Chief, in a most substantial way. They are offering \$250 in two special premiums for best 1907 foal of Montgomery Chief and for best foal of any age of Montgomery Chief, at the Kentucky State Fair.

The concerts daily at the Kentucky State Fair by Natiello and his premier band of fifty all-star artists from the "Land of Music" should prove an announcement that should strike joy to the hearts of everyone at all musically inclined.

"The World's Greatest Living Color Page of Amusement Enterprises" briefly describes what may be expected among the other big things of the Kentucky State Fair.

The Kentucky State Fair management has arranged an amusement program running way into thousands of dollars, united with an exhibition never before attempted.

The Kentucky State Fair management will gladly send a catalogue or descriptive booklet to anyone applying for same.

This laxative makes strength

Most physics you have taken no doubt have left you weak. Dr. Caldwell's Syrup Pepsin is an exception, because, while it is a laxative, it is at the same time one of the greatest stomach tonics ever compounded.

A physic which leaves you weak is dangerous, because it soon becomes necessary for you to take a drug of some kind before the bowels can be induced to act properly.

When this condition is reached, the patient has lost his strength and may become the victim of all sorts of stomach disorders.

Dr. Caldwell's Syrup Pepsin

contains a great deal of pepsin, as its name indicates, and so strengthens the weakest stomach that it can properly and voluntarily perform all its functions.

Dr. Caldwell's Syrup Pepsin is pleasant to take and it never causes griping or pains of any sort, and in all cases of stomach disorder is undoubtedly the finest preparation known.

All druggists sell Dr. Caldwell's Syrup Pepsin at 50 cents and \$1.00 a bottle.

LOUISVILLE SHOOTING

Pistol and Blackjack Weapons for Duel in a Bedroom

The Louisville papers Thursday contained accounts of the shooting of Charles W. Holliday, a saloonkeeper, who is thought to be in a dying condition at the City Hospital at that place, the result of bullet wounds suffered in an encounter at an early hour Thursday morning at the home of Henry Dieterich, on the second floor of 1426 West Green street.

Dieterich is under arrest charged with the shooting.

He claims to have found Holliday struggling

with his wife upon his return home at 1 o'clock that morning. Holliday, he charges, attacked him with a blackjack and he shot him three times.

One ball entered Holliday's right breast a little to the left and above the nipple and plowed into the lung. This is the wound that it is feared will cause death. Another bullet struck him in the face, shattering the right jawbone, and the third entered his back and lodged in the flesh of the left shoulder. He lost so much blood before he was given medical attention that the shock alone may prove fatal.

Though conscious at intervals, Holliday refuses to make any statement other than he boarded at Dieterich's home, and that the shoot-

ing was without justification. The men were both formerly of this city, Mr. Dieterich being a son of the late well known florist, C. P. Dieterich.

Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. WHY?

That little word and the interrogation point may mean little or it may mean much. When applied to roofing it means a good deal. The manufacturers of and dealers in nearly all "Composition" "Felt" and "Rubber" roofing tell you of their two and three-ply roofing and its superior qualities and then ask you \$1 to \$2 per square more than for single ply. When you examine roofing ask the weight. That's the test. Our Climax Asphalt weighs 60 pounds per square and is sold as low as the 35 and 40-pound kind. Investigate this before purchasing.

The Dove of Peace is fluttering in the general strike of the commercial telegraphers. DESERVED A THRASHING

But Got off With a Small Fine and Trimmings

William Beckett, colored, of West Third, will probably think twice before he acts so rudely and in such an unbecoming manner as he did Thursday when he stamped beneath his number 10's the fine linen of a Sutton street housewife in order to vent and avenge his wrath against her husband. All told, the transaction cost W. Beckett a

duck—\$5.50—to square himself with 'Squire Pickrell and \$4.50 to repair damages to linen garments.

He can consider himself lucky in getting off as easy as he did, for really he deserved a good thrashing for doing as he did.

Mr. and Mrs. Robert A. Farnsworth and two bright little children, who have been visiting Mrs. F's parents, Judge and Mrs. G. W. Adair of Hilltop, left this morning over the L. and N. for Yellowstone Park, where they will spend two weeks, and from there they will go to Los Angeles, Cal.

Throat Coughs

Ask your doctor about these throat coughs. He will tell you how deceptive they are. A tickling in the throat often means serious trouble ahead. READ THIS AND PROFIT THEREBY!

This is a trying time of the year. Many discomforts arise from the heat. The best way to be comfortable is by bathing often, at least twice daily, and by using a liberal quantity of talcum powder. By bathing often one keeps the skin clean and the pores open, thereby allowing the entire body to "breathe freely," which means perfect health.

The best soap to use for the bath and toilet is Pile's Complexion Soap, a non-injurious, healthful soap. Talcum powder keeps the skin cool, always heat rash, stops chafing and is an excellent toilet requisite. We have a number of kinds.

WORKS WONDERS.

A Wonderful Compound—Cures Piles, Eczema, Skin Itching, Skin Eruptions, Cuts and Bruises.

Doan's Ointment is the best skin treatment, and the cheapest, because so little is required to cure. It cures piles after years of torture. It cures obstinate cases of eczema. It cures all skin itching. It cures skin eruptions. It heals cuts, bruises, scratches and abrasions without leaving a scar. It cures permanently. Maysville testimony proves it.

Mrs. Kate Poth, living at the corner of Clark street and Forest avenue, Maysville, Ky., says: "I gave a statement about Doan's Ointment which was published in our Maysville papers. I said that I had received most decided benefit from the use of this remedy. For a long time I had an itching or eczema of the scalp. It broke out in spots and sometimes the spots would appear on my forehead and temples. The itching was particularly troublesome just before a rain, and was then so intense that I could not sleep at night. It required only a short use of Doan's Ointment to cure the trouble, and the cure has been lasting for the past five years. There has never been even an indication of a recurrence. A friend also had eczema and tried everything for it but never found anything to remove the annoyance. On my recommendation she used Doan's Ointment and was absolutely cured."

For sale by all dealers. Price 50 cents a box. Foster-McIlburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.
